# It's Your Life

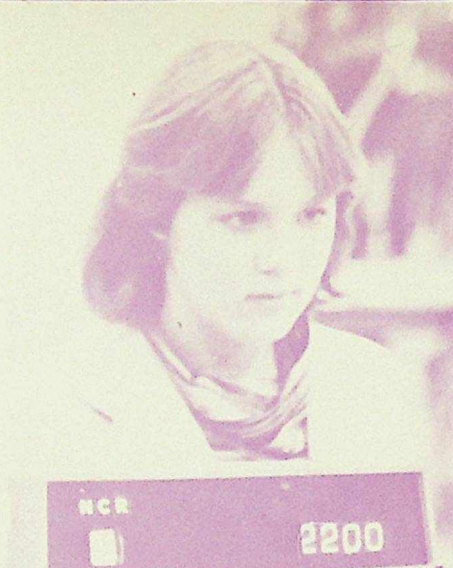

Live every day every possible way,  
Spend some time with your family, your  
friends.  
Live it right down to the end,  
Take every road, every bend,  
Live every minute, get all there is in it,  
my friend.

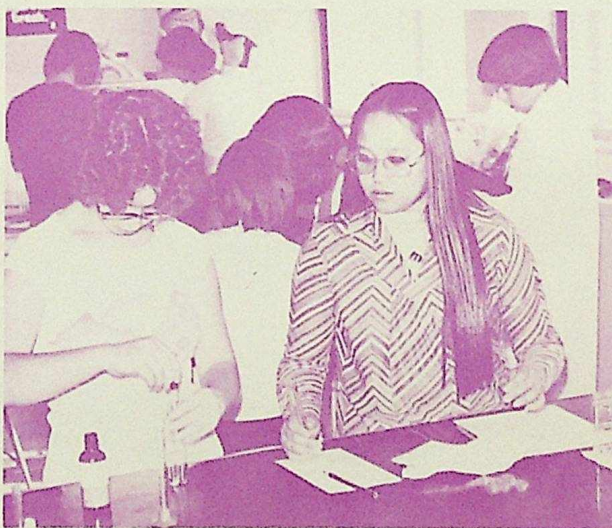

## Reach Out

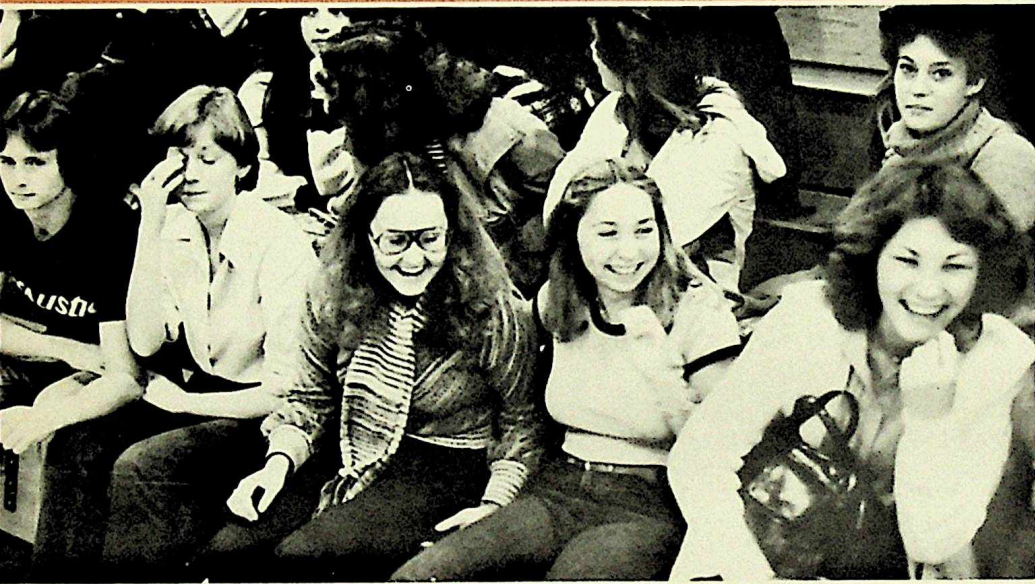

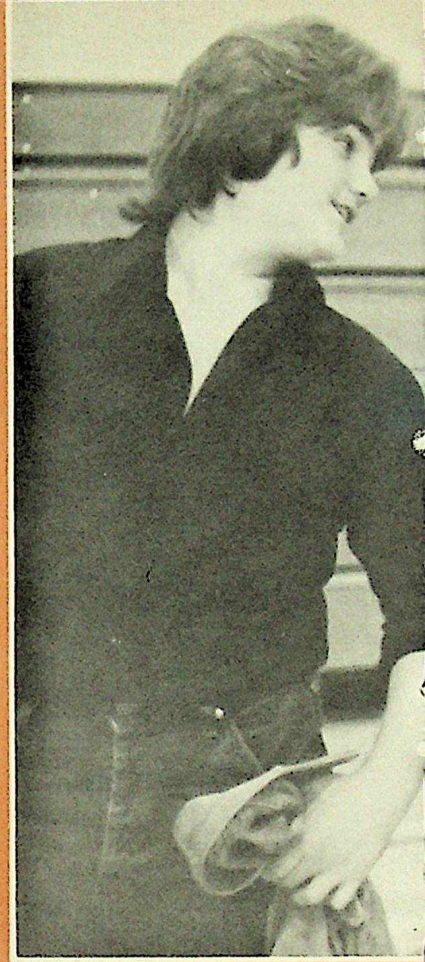

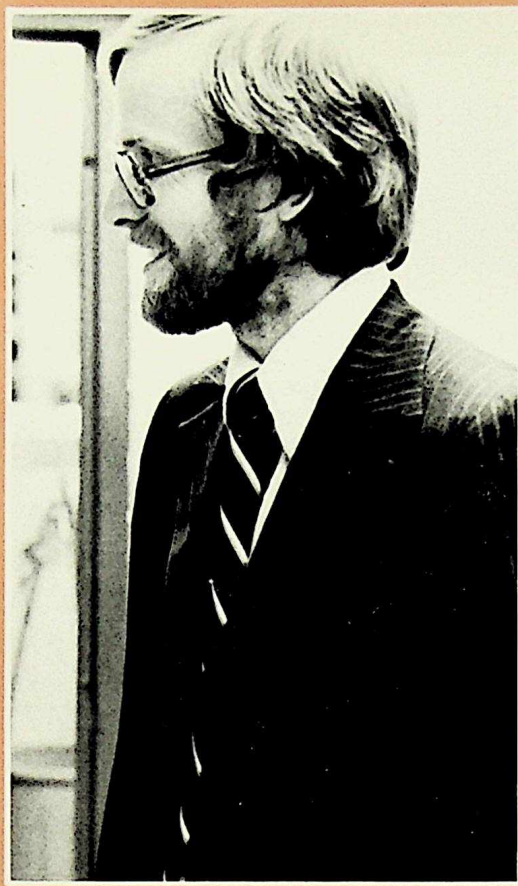

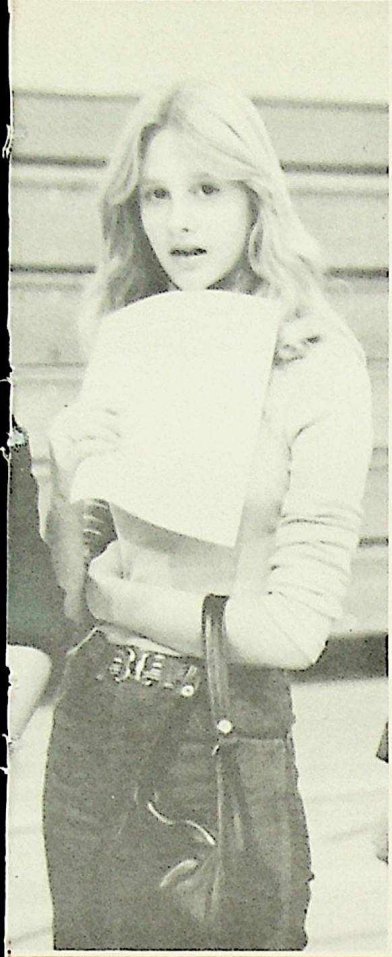

Embrace It,

**Live It!**

**VIRILI PARTE** - to the utmost of my ability  
Motto - Queen Elizabeth Composite High School

This edition of "The Elizabethan" is the eighteenth, marking the coming of age of our yearbook. I feel that this is an appropriate time to identify ourselves with our school motto - Virili Parte.

If it has been possible for you during your years at Queen Elizabeth Composite High School to expand your talents in a particular subject or skill, to develop a feeling of self-confidence and a sense of purpose and to learn to respect the rights and feelings of others, Virili Parte will have a significant meaning for you as you are beginning to live to the utmost of your ability.

## UNSAID

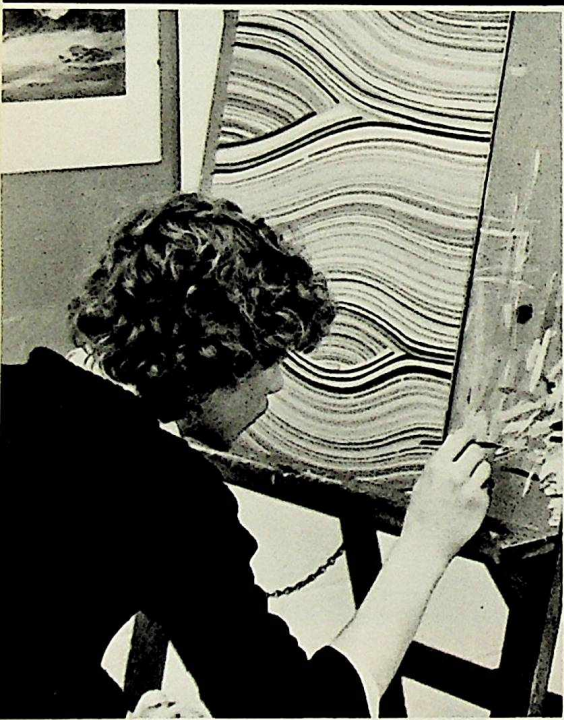

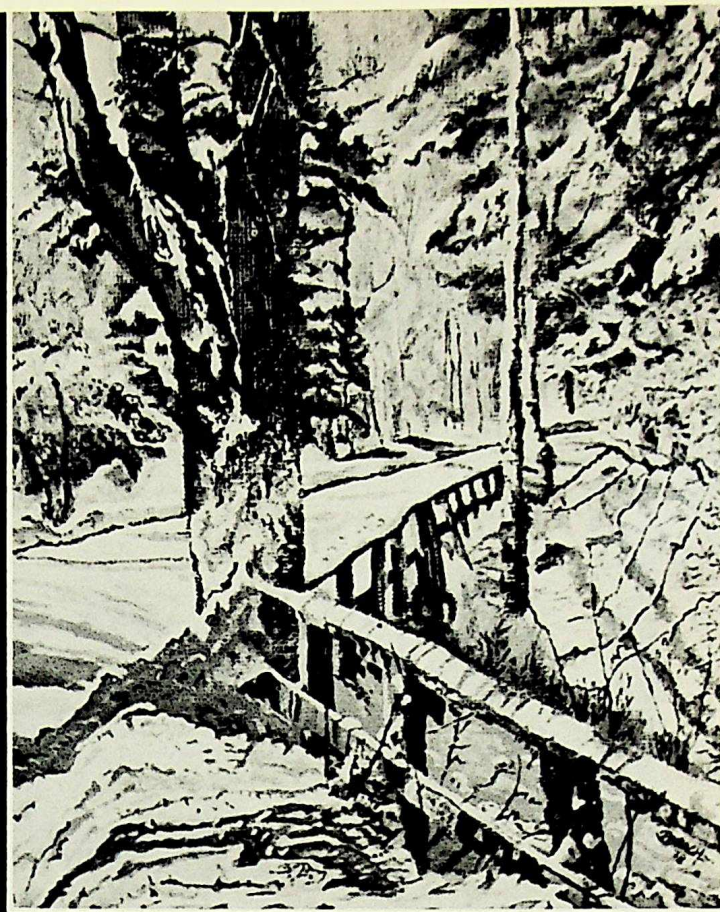

So many things to say,  
that I hate you  
and never want to see you again  
but I cannot lie.

So many things to say,  
that I love you  
and long to be near you  
but I do not know.

So many things to say,  
that I like you  
and need you  
but good things take time.

So many things to say  
that you are you  
and I am me  
but together we may be one.

## FRIENDSHIP

Friendship grows like a rose.  
It starts out small,  
Then blossoms with radiance.  
It may wilt and wither but  
The seed is still there.

## LIFE

Many people don't realize  
How fast life really is.  
Some of us don't stop to think  
What we are going to do.

We think we'll never have to decide  
What to do for ourselves.  
Someone has always been around  
To plan our life for us.

Then all of a sudden  
Everyone turns their backs.  
They think we are old enough  
To be all on our own.

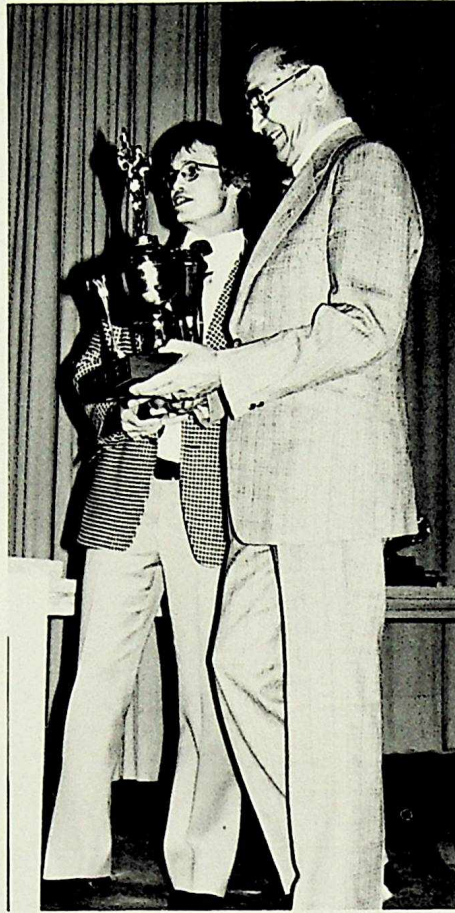

Then it hits us.  
All at once.  
We turn to run  
And find no place.

We look up.  
And no one looks down.  
We try to hide ourselves;  
But the corner isn't big enough.

What do we do  
When no one's around?  
Please help me someone,  
For I'm scared of LIFE.

The best compliment anyone could receive in high school is to be chosen as Student's Union President. Although there were some "trying times" and hard work, these were overshadowed by the good times and the people involved. This year's Student Council are the best group one could ever work with. I'd like to list their contributions individually but it will suffice to say that we've all gained a friend or two. Mr. Bentley and all the staff have been co-operative and patient this year, providing us with the leadership and guidance we needed. There are a lot of people who deserve credit for making this school what it is and I can only hope that I've lived up to your expectations. Best Wishes to everyone in their future endeavors.

Your President

LIBRARY POETRY CONTEST  
MOTHER'S DAY

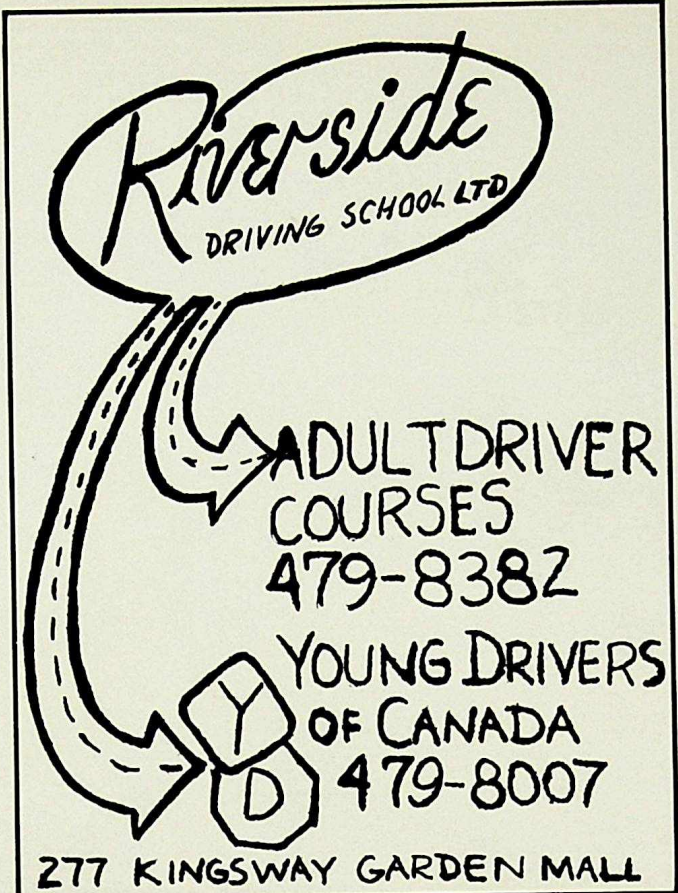

There could never be a replacement for you,  
You are sunshine, laughter, fulfillment.  
When by chance I do feel lost and blue,  
I turn to you and you're IT.

You can change the heartaches and breaks,  
You can comfort the blues and flus,  
You fix all wounds adolescence makes,  
You make molehills out of mountains too.

Now I've told you the story, the way that I  
feel.

I know I don't say it very often,  
But when I do say it, it's very real;  
I LOVE YOU MOM, FOR CERTAIN!

**And I'm Looking for Space**

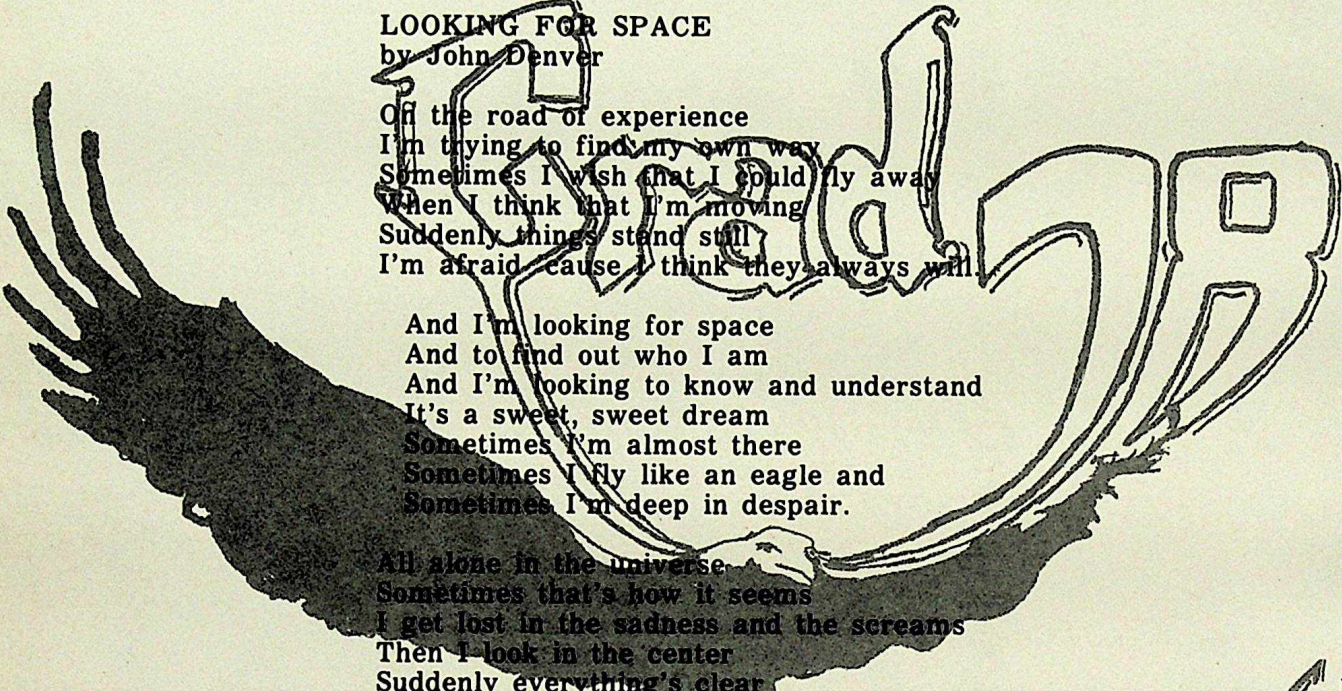

## LOOKING FOR SPACE

by John Denver

Off the road of experience  
I'm trying to find my own way  
Sometimes I wish that I could fly away  
When I think that I'm moving  
Suddenly things stand still  
I'm afraid cause I think they always will

And I'm looking for space  
And to find out who I am  
And I'm looking to know and understand  
It's a sweet, sweet dream  
Sometimes I'm almost there  
Sometimes I fly like an eagle and  
Sometimes I'm deep in despair.

All alone in the universe  
Sometimes that's how it seems  
I get lost in the sadness and the screams  
Then I look in the center  
Suddenly everything's clear  
I find myself in the sunshine and my dreams

On the road of experience  
Join in the living day  
If there's an answer  
It's just that it's just that way

When you're looking for space  
And to find out who you are  
When you're looking to try and reach the stars  
It's a sweet, sweet dream  
Sometimes I'm almost there  
Sometimes I fly like an eagle and  
Sometimes I'm deep in despair
